751. Mr. P. T. Jacob *(Latin Christians-Mattancheri)*: Will Government be pleased to state.—

(a) whether the Management of the Local Burmah Shell Installation complied with the instructions in the Adjudication award given by the Adjudicator;

(b) whether the Mineral Oil Workers' Union has put in any complaint that the instructions have not been complied with in time by the Management;

(c) whether the Hon'ble Chief Justice Mr. Krishnaswami Iyengar has found in his Adjudication Award that the discharging of the 25 Malayalee watchmen from the Local Burmah Shell Installation has been without sufficient grounds;

(e) does the Government contemplate to proceed against the above Management for the said offence; if not, why?

Mr. C. J. Mahew *(Secretary to Government)*:

(c) The Adjudicator's award was that the Company did not have reasonable cause for the discontinuance of the employment of the 25 Malayalee watchmen.

(d) Yes, on 22nd September 1945 before the matter was referred to the Adjudicator.

(e) As the whole dispute between the Company and the Union was adjudicated, Government thought it unncessary to proceed against the Company for this particular offence.
